

**RECOVERY IS THE DESTINATION**  
**CENTERPOINTE ANNUAL REPORT 2011-2012**

## MESSAGE FROM THE PRESIDENT

It's an honor to lead the Board of CenterPointe. I've served on many boards and it's hard to find a board more dedicated, more committed to the mission and vision of an organization than this board.

I know CenterPointe staff are guiding women, men and teens on their journey to healthier, more productive lives. Helping them find and walk a path to recovery. Helping them build recovery habits to make the journey smoother. Helping them to reach their destination of lasting recovery.

As a board we feel directly connected to this work. I hope you feel this connection too. Your support is a vital bridge for these brave travelers. Your support lights the path. Thank you.

Sincerely,  
Vicki Powell  
Board President

## MESSAGE FROM THE EXECUTIVE DIRECTOR

CenterPointe strives to be an excellent steward of the resources you entrust in us. With more than 20 programs and services operating out of nine facilities, we are a complex organization meeting complex needs.

Yet in the face of this, our goal is never to settle for providing good services when people deserve excellent services.

We believe people get better quicker and stay better longer with coordinated, integrated teams to guide them on their path to recovery. We continue to seek new and better ways to provide coordinated, integrated care.

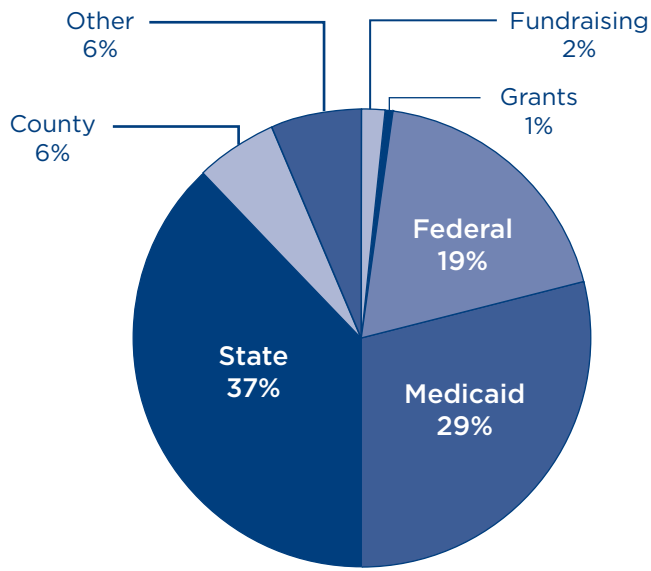

During 2011/2012, we kicked off the implementation of Electronic Health Records in a collaborative project with other behavioral healthcare providers in Lincoln. This is a much-needed leap forward in technology in terms of increasing the efficiency and effectiveness of our programs.

During 2011/2012 we also started several programs for veterans and for transition-aged young adults 18 – 24. And, we entered a partnership to provide behavioral healthcare in a primary care setting at People's Health Center. All told, in the last two fiscal years, we've launched eight new programs.

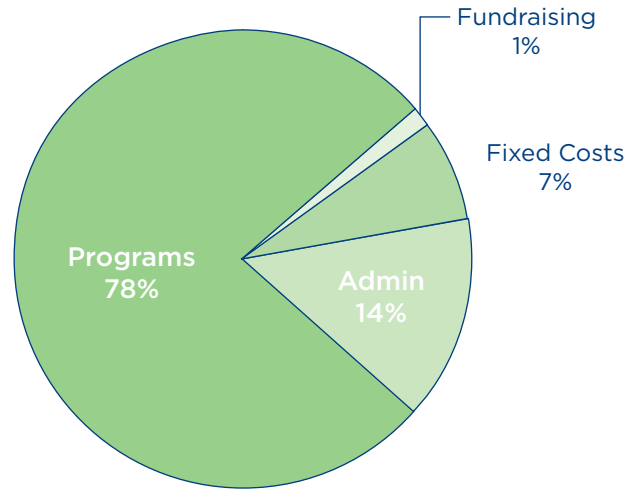

Thank you for your continued support as we grow and change to meet the needs in our community. Next year we'll celebrate our 40th Anniversary. We're proud to be continuing our journey so that people experiencing homelessness, mental illness and addiction can begin theirs – toward recovery.

Topher Hansen, JD  
Executive Director

# STAR LEGACY SOCIETY

## PLANNING THE JOURNEY FOR THE LONG-HAUL

Recovery is the destination for everyone we serve. Because people like you care, programs and services supporting people on their journey are available today.

When you support CenterPointe, you are providing real, comprehensive solutions to the issues of homelessness, mental illness and addiction. You are saving and changing lives.

We dream of a day when no one is homeless, no one goes untreated if they experience addiction, mental, or physical illness. Our ultimate goal is to be out of business.

But, until these dreams come true, we invite you to help us plan for the on-going journey. Please consider adding CenterPointe to your estate plans.

The simplest way to do this is to include CenterPointe as a recipient of a set dollar amount, a percentage of your total estate, or a percentage after individual beneficiaries are cared for. There are many other ways to make an estate gift to CenterPointe; including gifts that can create revenue for you while you are living.

Estate gifts in any form help ensure that comprehensive solutions to these issues are available in the future.

We sincerely appreciate the thoughtful, generous individuals who have already included us in their estate planning. We recognize these caring people as members of the Star Legacy Society.

Contact us today for more information about adding CenterPointe to your estate plans or to share your existing plans and earn your recognition as a member of the Star Legacy Society.

We are preparing to celebrate the 40th year of our founding in 2013. Now is an excellent time to help us plan for the next 40 years!
