

Housing

Housing Program Director - 402.475.5161 x348

Transitional and permanent housing options in scattered-site and project based locations for individuals and families experiencing problems with mental illness, substance use, or co-occurring disorders. Supportive services for each program can include case management, recovery support and/or peer support as well as access to outpatient counseling and medication management.

Glide: Rental assistance in independent living for single adults experiencing homelessness and co-occurring disorders.

Permanent Housing Project: Rental assistance for single adults experiencing homelessness and problems with substance use, serious mental illness, or co-occurring disorders.

Shelter Plus Care: Project based rental assistance for single adults who are chronically homeless and experiencing problems with serious mental illness, substance dependence, or co-occurring disorders.

Supportive Living: One and two bedroom apartments for single adults or families experiencing problems with serious mental illness or co-occurring disorders. Priority given to individuals transitioning out of Lincoln Regional Center, Crisis Center or other emergency levels of care.

Overland Trail Apartments: Section 811 housing assistance in one bedroom apartments for adults experiencing problems with serious mental illness or co-occurring disorders.

Transitions: Independent living apartments for transition age adults, 18-24, who are experiencing homelessness and problems with substance use, mental illness, or co-occurring disorders.

Transitions II: Rental assistance for small families where a parent is experiencing homelessness and problems with substance use, serious mental illness, or co-occurring disorders.

Veterans Housing: Rental assistance for Veterans who are experiencing homelessness and problems with mental illness, substance use, or co-occurring disorders.

Veterans Transitional Housing

VTH Program Director - 402.261.6924

Group living with supportive services for male Veterans experiencing homelessness and problems with mental illness or co-occurring disorders. Veterans must be approved to reside in the program by VA Nebraska-Western Iowa Health Care Systems. Expected stay is 6 months.

CenterPointe helps people dealing with either mental illness or substance use disorders, but our specialty is caring for people who are living with *both*.

Our dually licensed therapists help each person identify their unique *needs* and personal *strengths* for healing.

By caring for the whole person, we can treat physical health, mental health and addiction together in real-time. We meet people *where they are*, supporting them to gain control of their lives. We help set and reach individual goals for recovery and independent living.

This holistic approach, combined with open arms and open minds, distinctly sets us apart.
